

Greenville Gun Club and COVID-19 Response

Effective Jan 12, 2021

As in 2020, the Board of Directors wants to keep the membership of the GGC as safe as possible. minimize risk for the Club, and be responsible toward the community as a whole. Given the incredible infection rates coming from the Greenville - Spartanburg - Anderson areas AND the reports of positive cases from within the membership, we are doing the following actions:

- All Practice ranges for all disciplines are closed
- All Tournaments for all disciplines are cancelled until at least March 1st
- January Board meeting is cancelled; Feb meeting is tentative. If you have a matter to discuss, please contact the Secretary by email to get on agenda.

Note: 2021 Credentials distribution delayed for a few weeks, due to positive cases in supply chain.

The Board is watching the Covid reports in our area closely. As soon as current infection rates start to drop to more reasonable levels, we will look to re-open practice areas. Paid employees will maintain their current pay during our closure as we appreciate their continued contribution and wish to keep our staff in place for re-opening.

If you have questions, please contact your Discipline Director or fill-in the Contact Us page on our website.
